Privacy and Sharing of information

Our vision is to grow Christ's Church by teaching the Word of God, living for Jesus, caring for one another and sharing the good news of the gospel. We believe that relationships and communication are key to this vision. Therefore, we are always wanting to improve the way we communicate with you and the way you communicate with each other. Sharing your details here on this form is one very practical way of doing just that.

We take seriously the integrity and privacy of your personal information. It will never be sold or disclosed to any other organisation or used for personal gain or commercial use. You are entitled at any time to view the personal information we have collected and to have that information deleted from our system in part or whole. Please make such requests direct to the office in writing: easyjethro@pwac.org.au or PO Box 447, Picton NSW 2571.

If you consent to sharing your details with other members, you will be able to create an account on our member portal (pwac.org.au), or request a paper Church Directory. We prefer you to use the online member portal, since the paper directories will quickly become out of date. As part of this process we require you to return all old Church directories for shredding once you gain access to this new system.

- I consent to details on this form being accessed by Staff and Key Leaders of Picton and Wilton Anglican Churches.
- (Optional) I consent to the details on this form being shared with other members of Picton and Wilton Anglican Churches.
- I will never use or pass on other Church members details for personal gain or commercial use and will treat their information with appropriate care and confidentiality.
